BiG JAWs Youth for Christ is part of the Youth for Christ/USA movement. We serve Adams, Blackford, Grant, Jay and Wells Counties of Indiana. YFC staff and volunteers connect with young people who need Jesus. Our passion is to see God enter their stories as we love them as true friends and mentors.

***We spend time in relationships with teens.***

We are a national movement who spend time with any and all teenagers, entering their world, listening well, and sharing the love of Christ.

***We are rural and urban and we are always about the message of Jesus.***

We hope to acquaint teens with Jesus Christ and journey with them as their lives are changed. We are non-denominational and partner with anyone who can help us make a difference within our communities, reaching youth, especially those walking life's desperate edges.
